

SENS-i-LAVI shampoo Thick Undercoat

Gentle, micellar shampoo for dogs with a very thick undercoat that tends to “clump”. With a pH of 7.2, characteristic for a healthy dog’s skin, so that the skin barrier regenerates faster and returns to its natural balance after washing. Shampoo thoroughly removes dirt and the bathing treatment helps to get rid of loose dead, heavily shedding hair in a controlled way, revealing healthy and shiny coat. The shampoo makes combing easy. Subtle rose scent is favoured by dogs. Suitable for sensitive skin prone to irritation.

IMPORTANT: Remember to rinse all shampoo residues very thoroughly.

The formula is developed by experts in dog care.

Instructions for use: Brush the dog’s coat and wet it with lukewarm water. Apply a small amount of shampoo in several places and massage until it turns into foam. Rinse thoroughly. If necessary, repeat the procedure. Protect the eyes, ears and mouth of the dog. Wipe it off with a towel and brush it. If you are using a dryer, make sure the air is not too hot.

The shampoo can be diluted even in a 1:7 ratio.
